Memberships & Branding

I designed and implemented Blind Tiger Vineyards Bootlegger Wine Club; from the website back end, to drafting member benefits. I developed this wine club in my four month contract and it is now live on the website.

Blind Tiger's, established in the days of prohibition, served alcohol to patrons with the tiger's blindfold indicating the open and closing hours (if the cops were watching or not). Similar to the hidden bars of the prohibition days, Blind Tiger Vineyards is a small family owned drinking establishment, hidden in the hills of Lake Country. Our organic, small batch wines offer unique, vibrant flavours that express the unique landscape and care we place into our wines. Enjoy the hidden gems of Lake Country, and cheers to the blindfold always being on!

YOUR SPEAKEASY WINES

The Speakeasy name was developed by Morgan Woodcock—the vineyard owners daughter. Woodcock's Kamal Idris and Dr. Alan Marks selected classic Bordeaux grapes—Cabernet Sauvignon, Cabernet Franc—with the addition of Syrah and Merlot that create a heritage blend. After blending, the wine is aged in American oak rather than French which contributes to the rich color and tobacco flavours. The grapes were grown in Okanagan and Oliver with the highest organic vineyard practices to ensure the grapes are peak quality. 2011 produced 339 cases, and 2012 produced 657. The 2011 Speakeasy was harvested mid-October while the 2012 Speakeasy was harvested late-October. The composition of the wine are 50% merlot, 30% cab sauv, 20% syrah.

2011 SPEAKEASY RED

Our signature red, a full bodied luscious blend of Merlot, Cabernet Sauvignon, Cabernet Franc and just a touch of Syrah. Notes of Okanagan red cherries, cassis and ripe blackberries greet you with your first sip. From here you are lead to deep notes of cedar, leather and tobacco. Pair with aged cheddar, cured meats and BBQ. Enjoy now, and will cellar through 2019.

It opens with aromas of red cherry, leading to a dark black berry and lapis cherry finish. With subtle hints of black pepper and raspberry jam. This full bodied wine is perfect for dark chocolate, blue cheese, or a medium rare rib-eye steak. This wine can benefit from a couple years in the cellar, and will age well through to 2020.
